FOR IMMEDIATE RELEASE

MEXICO FUND ANNOUNCES PRELIMINARY RESULTS OF IN-KIND REPURCHASE OFFER

Washington, D.C., April 13, 2009 -- The Mexico Fund, Inc. (NYSE: MXF) announced today that based upon current information, approximately 6,598,141 shares or 36.45% of the Fund's 18,100,290 outstanding shares of common stock were submitted for repurchase and not withdrawn in response to the Fund's in-kind repurchase offer which expired April 9, 2009 at 5:00 p.m. New York City time.

Under the terms of the repurchase offer, the Fund offered to repurchase up to 5% of its outstanding shares of common stock at net asset value, reduced by a 2.00% repurchase price adjustment, for a repurchase price of 98.00% of net asset value. The repurchase pricing date for the repurchase offer will be April 16, 2009. Because the number of shares submitted for repurchase exceeded 5% of its outstanding shares, the Fund will repurchase submitted shares on a *pro-rata* basis. The *pro-rata* portion of the Fund's portfolio securities will be transferred to participating stockholders' Mexican accounts on or before April 23, 2009, the Repurchase Payment Deadline. The repurchase offer will generally be a taxable transaction for participating stockholders.

These numbers are preliminary and are subject to adjustment as the Fund verifies that all requirements for participation have been met by each stockholder submitting shares, including submission of information regarding a securities account with a Mexican securities broker or custodial account with a Mexican bank which has been established by participants for receipt of the proceeds of the repurchase offer. This may include providing additional information and confirmations requested by certain Mexican securities brokers or custodians regarding the Mexican Account. Without this additional information and confirmations these Mexican securities brokers or custodians may choose not to accept repurchase offer proceeds on the Repurchase Payment Deadline on behalf of participating stockholder clients or may delay acceptance of proceeds until the additional instructions and confirmations are received. Accordingly, stockholders who have submitted shares for repurchase are urged to consult with the Mexican bank or securities broker responsible for their securities account in advance of the Repurchase Payment Deadline to ensure compliance with any additional informational requirements

their Mexican bank or securities dealer may have imposed and to submit such additional information before the Repurchase Payment Deadline or as quickly as possible thereafter to avoid any delay in payment. Failure by a stockholder submitting shares to meet the requirements for participation will constitute a defective submission and the Fund will be unable to repurchase the submitted Fund shares.

As previously announced, the Fund's Board of Directors ("Board") has determined that the next in-kind repurchase offer will be conducted during March 2010 unless stockholders vote to eliminate the fundamental policy governing the Fund's periodic in-kind repurchase offers at a special meeting of stockholders ("Special Meeting") to be held on May 29, 2009. The Fund has set April 20, 2009 as the record date for determining stockholders entitled to vote at the Special Meeting.

The repurchase offer was not part of a plan to liquidate the Fund. Stockholder participation was not mandatory as stockholders can continue to purchase and sell Fund shares in cash transactions on the NYSE.

The repurchase offer is not being made to (nor will repurchase requests be accepted from or on behalf of) stockholders residing in any jurisdiction in which the making of the repurchase offer or its acceptance would not be in compliance with the laws of such jurisdiction. The manner of payment of proceeds may be adjusted to accommodate restrictions in certain jurisdictions. To the extent that the securities laws of any jurisdiction would require the repurchase offer to be made by a licensed broker or dealer, the repurchase offer shall be deemed to be made on the Fund's behalf by one or more registered brokers or dealers licensed under the laws of such jurisdiction.

The terms and conditions of the repurchase offer are set forth in the Fund's Repurchase Offer Notice dated March 18, 2009, and the related Repurchase Request Form, which were mailed to stockholders of record of the Fund as of March 16, 2009 although any stockholder holding Fund shares on the expiration of the offer was allowed to participate.
