Annual Meeting of Stockholders
March 5, 2008

INTRODUCTION

This Proxy Statement is furnished in connection with the solicitation of proxies on behalf of the Board of Directors of The Mexico Fund, Inc., a Maryland corporation (the "Fund"), to be voted at the Annual Meeting of Stockholders of the Fund (the "Meeting") to be held at 30 Rockefeller Plaza, 23rd Floor, New York, NY, 10112, on March 5, 2008 at 1:00 P.M. and at any adjournment thereof. The approximate mailing date of this Proxy Statement is February 7, 2008 or as soon as practicable thereafter.

All properly executed proxies received prior to the Meeting will be voted at the Meeting in accordance with the instructions marked on the proxy card. Unless instructions to the contrary are marked on the proxy card with respect to Proposal 1, a properly executed proxy will be voted **FOR** Proposal 1. The appointed proxy holders will vote in their discretion on any other business that may properly come before the meeting or any adjournment or postponements thereof. Any stockholder giving a proxy has the right to attend the Meeting to vote his or her shares in person (thereby revoking any prior proxy), and also the right to revoke the proxy at any time prior to its exercise by submitting a properly executed, subsequently dated proxy, received by the Fund addressed to American Stock Transfer and Trust Company at 59 Maiden Lane, Plaza Level, New York, New York 10273-0923, Attn: Proxy Department. Stockholders may vote using the enclosed proxy card along with the enclosed postage-paid envelope. Stockholders may also authorize proxy voting by telephone or internet. To authorize proxy voting by telephone or internet, stockholders should follow the instructions contained on their proxy card.

The presence at the Meeting in person or by proxy of the stockholders entitled to cast a majority of all votes entitled to be cast at the Meeting constitutes a quorum for the transaction of business. For purposes of determining the presence of a quorum for transacting business at the Meeting, abstentions and broker non-votes (that is, proxies from brokers or nominees indicating that such persons have not received instructions from the beneficial owner or other persons entitled to vote shares on a particular matter with respect to which the brokers or nominees do not have discretionary power) will be treated as shares that are present.

Approval of Proposal 1 requires the affirmative vote of the holders of a majority of the shares of common stock outstanding and entitled to vote provided a quorum is present. An abstention as to Proposal 1 will be treated as present and will have the effect of a vote "Against" Proposal 1. Proxies from brokers or nominees indicating that such persons have not received instructions from the beneficial owner or other persons entitled to vote shares on the proposal will be voted "For" Proposal 1.

In the event that the necessary quorum to transact business at the Meeting is not obtained or a quorum is present at the Meeting but sufficient votes to approve any of the Proposals are not received, the proxy holders may propose one or more adjournments of the Meeting to permit further solicitation of proxies. Any adjournment will require the affirmative vote of a majority of those shares present at the Meeting in person or by proxy. If the necessary quorum is not obtained, the persons named as proxies will vote in favor of the adjournment. If a quorum is present, the proxy holders will vote proxies which vote for any Proposal with respect to which insufficient votes for approval have been received in favor of such an adjournment, and will vote those proxies

required to be voted against such a Proposal, against adjournment. A stockholder vote may be taken on a Proposal prior to any adjournment if sufficient votes have been received for approval. In the event a Proposal is not approved by stockholders, the Board of Directors of the Fund will consider appropriate action.

Only stockholders can attend the Meeting and any adjournment or postponement thereof. To gain admittance, if you are a stockholder of record, you must bring a form of personal identification to the Meeting, where your name will be verified against our stockholder list. If a broker or other nominee holds your shares and you plan to attend the Meeting, you should bring a recent brokerage statement showing your ownership of the shares, as well as a form of personal identification.

The Board of Directors has fixed February 1, 2008 as the record date for the determination of stockholders entitled to notice of, and to vote at, the Meeting and at any adjournment or postponement thereof. Stockholders on the record date will be entitled to one vote for each share held. As of February 1, 2008, the Fund had outstanding 20,055,720 shares of common stock, par value \$1.00 per share. Based on filings made with the U.S. Securities and Exchange Commission (“SEC”), below are persons known to the Fund to be the beneficial owner of more than five percent (5%) of the Fund’s shares.

PROPOSAL 1: ELECTION OF DIRECTORS

The Board of Directors of the Fund is divided into three classes of Directors, as nearly equal in number as possible, each of which serves for three years with one class being elected each year. Each year the term of office of one class will expire. The terms of office of Messrs. Eugenio Clariond Reyes-Retana and Emilio Carrillo Gamboa expire this year. The Board of Directors, including the Directors who are not interested persons of the

Fund, upon the recommendation of the Fund's Nominating and Corporate Governance Committee which is comprised solely of Directors who are not "interested persons" of the Fund (as defined in Section 2(a)(19) of the 1940 Act), have nominated Messrs. Eugenio Clariond Reyes-Retana and Emilio Carrillo Gamboa to serve as Class III Directors for a three year term expiring in 2011 and until their successors are duly elected and qualify. The nominees have indicated an intention to serve if elected and have consented to be named in this Proxy Statement. Directors who are not interested persons are referred to in the Proxy Statement as "Independent Directors."

It is the intention of the persons named on the enclosed proxy card to vote for the nominees listed below for a three-year term. The Board of Directors of the Fund knows of no reason why a nominee would be unable to serve, but in the event of any such unavailability, the proxies received will be voted for such substituted nominees as the Board of Directors may recommend. The Fund's Directors and executive officers, as a group, beneficially own less than 1% of the Fund's common stock. None of the Directors, with the exception of Mr. José Luis Gómez Pimienta, is an "interested person" of the Fund as defined in the 1940 Act.

The names of the Fund's nominees for election as Directors, and each other Director of the Fund, and their addresses, ages and principal occupations during the past five years, are provided in the tables below. Information is provided as of December 31, 2007.

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE **FOR** THE ELECTION OF EACH OF THE NOMINEES TO THE FUND'S BOARD OF DIRECTORS.

Fund Committees

Current Committees and Members

The Fund has a standing Audit Committee, Valuation Committee, Contract Review Committee and a Nominating and Corporate Governance Committee. The Audit Committee, Contract Review Committee and Nominating and Corporate Governance Committee are composed entirely of Directors who are not "interested persons" of the Fund or the Fund's investment adviser within the meaning of the 1940 Act and who are "independent" as defined in the New York Stock Exchange listing standards. All Directors are members, or alternate members, of the Valuation Committee.

Audit and Valuation Committees

The Audit Committee is responsible for the selection and engagement of the Fund's independent public accountants (subject to ratification by the Board of Directors), pre-approves and reviews both the audit and non-audit work of the Fund's independent public accountants, and reviews compliance of the Fund with regulations of the SEC and the Internal Revenue Service, and other related matters. The members of the Fund's Audit Committee are Messrs. Carrillo Gamboa, Clariond, González, Knauss, Serra Puche and Shapiro. Mr. Knauss is the Chairman of the Audit Committee.

The Valuation Committee oversees the implementation of the Fund's Pricing and Valuation Procedures and the activities of the Fund's Pricing Committee. The Board of Directors has delegated to the Valuation Committee the responsibility of determining the fair value of the Fund's securities or other assets in connection with "significant events," as described in the procedures adopted by the Board of Directors. The members of the Fund's Valuation Committee are Messrs. González, Serra Puche and Shapiro. The Alternate Members of the Fund's Valuation Committee are Messrs. Carrillo Gamboa, Clariond, Gómez Pimienta and Knauss. Mr. Shapiro is the Chairman of the Valuation Committee.

The Board of Directors has adopted a Charter for each of its Audit and Valuation Committees. A copy of the Audit Committee Charter is included as an appendix to the Fund's proxy statement. Both the Audit and Valuation Committee charters are available on the Fund's website at www.themexicofund.com under "Corporate Governance."

Contract Review Committee

The Contract Review Committee reviews and makes recommendations to the Board of Directors with respect to entering into, renewal or amendment of the Fund's investment management and advisory agreement, administrative services agreement and other agreements. The members of the Fund's Contract Review Committee are Messrs. Clariond, Carrillo Gamboa, González, Knauss, Serra Puche and Shapiro. Dr. Serra Puche is the Chairman of the Contract Review Committee.

Nominating and Corporate Governance Committee; Consideration of Potential Director Nominees

The Nominating and Corporate Governance Committee makes recommendations to the Board regarding nominations for membership on the Board of Directors. It evaluates candidates' qualifications for Board membership and, with respect to nominees for positions as independent directors, their independence from the Fund's investment adviser and other principal service providers. The Committee periodically reviews director compensation and will recommend any appropriate changes to the Board as a group. This Committee also reviews and may make recommendations to the Board relating to those issues that pertain to the effectiveness of the Board in carrying out its responsibilities in governing the Fund and overseeing the management of the Fund.

The members of the Fund's Nominating and Corporate Governance Committee are Messrs. Clariond, Carrillo Gamboa, González, Knauss, Serra Puche and Shapiro. Mr. González is the Chairman of the Nominating and Corporate Governance Committee.

The Committee will consider potential director candidates recommended by Fund stockholders provided that the proposed candidates satisfy the director qualification requirements provided in the Fund's Bylaws; are not "interested persons" of the Fund or the Fund's investment adviser within the meaning of the 1940 Act; and are "independent" as defined in the New York Stock Exchange listing standards.

Potential director nominees recommended by stockholders must satisfy the following requirements:

(a) The nominee may not be the nominating stockholder, a member of the nominating stockholder group, or a member of the immediate family of the nominating stockholder or any member of the nominating stockholder group;

(b) Neither the nominee nor any member of the nominee's immediate family may be currently employed or employed within the last year by any nominating stockholder entity or entity in a nominating stockholder group;

(c) Neither the nominee nor any immediate family member of the nominee is permitted to have accepted directly or indirectly, during the year of the election for which the nominee's name was submitted, during the immediately preceding calendar year, or during the year when the nominee's name was submitted, any consulting, advisory, or other compensatory fee from the nominating stockholder or any member of a nominating stockholder group;

(d) The nominee may not be an executive officer, director (or person performing similar functions) of the nominating stockholder or any member of the nominating stockholder group, or of an affiliate of the nominating stockholder or any such member of the nominating stockholder group; and

(e) The nominee may not control (as "control" is defined in the 1940 Act) the nominating stockholder or any member of the nominating stockholder group (or in the case of a holder or member that is a fund, an "interested person" of such holder or member as defined by Section 2(a)(19) of the 1940 Act).

The nominating stockholder or stockholder group must meet the following requirements:

(a) Any stockholder or stockholder group submitting a proposed nominee must beneficially own, either individually or in the aggregate, more than 5% of the Fund's securities that are eligible to vote at the time of submission of the nominee and at the time of the annual meeting where the nominee may be elected. Each of the securities used for purposes of calculating this ownership must have been held continuously for at least two years as of the date of the nomination. In addition, such securities must continue to be held through the date of the meeting. The nominating stockholder or stockholder group must also bear the economic risk of the investment and the securities used for purposes of calculating the ownership cannot be held "short;"

(b) The nominating stockholder or stockholder group must also submit a certification which provides the number of shares which the person or group has (i) sole power to vote or direct the vote; (ii) shared power to vote or direct the vote; (iii) sole power to dispose or direct the disposition of such shares; and (iv) shared power to dispose or direct the disposition of such shares. In addition, the certification shall provide that the shares have been held continuously for at least 2 years.

A nominating stockholder or stockholder group may not submit more nominees than the number of Board positions open each year. All stockholder recommended nominee submissions must be received by the Fund by the deadline for submission of any stockholder proposals which would be included in the Fund's proxy statement for its 2009 Annual Meeting. The deadline for any stockholder recommended nominee submissions to be considered for the 2009 Annual Meeting is October 8, 2008.

Stockholders recommending potential director candidates must substantiate compliance with these requirements at the time of submitting their proposed director candidate to the attention of the Fund's Secretary.

Notice to the Fund's Secretary should be provided in accordance with the deadline specified in the Fund's Bylaws; (Article II, Section 10) and include as specified in the same section of the Fund's Bylaws, (i) the stockholder's contact information; (ii) the director candidate's contact information and the number of Fund shares owned by the proposed candidate; (iii) all information regarding the candidate that would be required to be disclosed in solicitations of proxies for elections of directors required by Regulation 14A of the 1934 Act; and (iv) a notarized letter executed by the director candidate, stating his or her intention to serve as a nominee and be named in the Fund's proxy statement, if nominated by the Board of Directors, to be named as a director if so elected.

The Board of Directors has adopted a Charter for the Nominating and Corporate Governance Committee which is available on the Fund's website at www.themexicofund.com under "Corporate Governance."

The Nominating and Corporate Governance Committee identifies prospective candidates from any reasonable source and has the ability to engage third-party services for the identification and evaluation of potential nominees. The Fund's Bylaws (Article III, Section 2(c)) provide a list of minimum qualifications for Fund directors which include expertise, experience or relationships that are relevant to the Fund's business; educational qualifications; and interaction with business in Mexico. The Committee may recommend that the Board modify these minimum qualifications from time to time. The Committee meets at least twice annually, typically in September and December, to identify and evaluate nominees for director and makes its recommendations to the Board at the time of the Board's December meeting. Other than compliance with the requirements mentioned above for submission of a director candidate, the Nominating and Corporate Governance Committee does not otherwise evaluate stockholder director nominees in a different manner. The standard of the Nominating and Corporate Governance Committee is to treat all equally qualified nominees in the same manner.

No nominee recommendations have been received by stockholders.

Board and Committee Meetings in Fiscal 2007

During the Fund's fiscal year ended October 31, 2007, the Board held three (3) regular meetings, one (1) telephonic regular meeting, three (3) telephonic special meetings, two (2) Audit Committee meetings, one (1) Valuation Committee meeting, one (1) Contract Review Committee meeting, and two (2) Nominating and Corporate Governance Committee meetings. Each Director then in office attended 75% or more of the aggregate number of regular and special meetings of the Board and those Committees of which each Director is a member.

Communications with the Board of Directors

The Fund provides a means for stockholders to communicate with the Board of Directors. Stockholders may address correspondence to the Board as a whole or individual Board members relating to the Fund via e-mail at investor-relations@themexicofund.com. The Fund's Investor Relations Vice President will then promptly forward the correspondence to the addressee. Correspondence may also be directed via the Fund's address, The Mexico Fund, Inc., 1775 I Street NW, Washington, DC 20006 and it will be directed to the attention of the addressee.

Director Attendance at Stockholder Meetings

At the convening of the Fund's 2007 annual meeting on March 7, 2007, all directors were present.

The Fund has a policy that half of the annual retainer paid by the Fund to its Directors is to be used by each Director to purchase Fund shares on the secondary market until a Director attains an ownership position valued at \$100,000 based on the market value of Fund shares as of a particular date (“Retained Shares”). Directors are not required to purchase additional shares if the value of their Retained Shares declines below \$100,000 due to market fluctuations. As part of the policy, Directors are to retain ownership of their Retained Shares during their tenure on the Board. Directors are permitted to buy additional Fund shares or sell any Fund shares held in excess of their Retained Shares. The Board may, from time to time, approve waivers from this policy. All Board members are in compliance with this policy.

Report of the Audit Committee; Information About the Fund's Independent Auditor

The Audit Committee is responsible for the selection and engagement of the Fund's independent auditors (subject to ratification by the Fund's Board of Directors); reviews and pre-approves both the audit and non-audit work of the Fund's independent public accountants; and reviews compliance of the Fund with regulations of the SEC and the Internal Revenue Service, and other related matters. The Fund adopted an Audit Committee Charter on December 6, 1999. The Charter was last amended on December 6, 2005.

The members of the Audit Committee are not professionally engaged in the practice of auditing or accounting and are not experts in the fields of accounting or auditing, including in respect of auditor independence. Members of the Committee rely without independent verification on the information provided to them and on the representations made by management and the independent accountants. Accordingly, the Audit Committee's oversight does not provide an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or appropriate internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's considerations and discussions referred to above do not assure that the audit of the Fund's financial statements has been carried out in accordance with generally accepted auditing standards, that the financial statements are presented in accordance with generally accepted accounting principles or that the Fund's auditors are in fact "independent."

The Audit Committee has received written disclosures and the letter required by Independence Standards Board No. 1 from its independent registered public accounting firm, PricewaterhouseCoopers LLP ("PwC") and has discussed with PwC its independence. The Audit Committee has also reviewed and discussed the audited financial statements with Fund management and PwC, and discussed certain other matters with PwC. Based on the foregoing, the Audit Committee recommended to the Board of Directors that the Fund's audited financial statements be included in the Fund's Annual Report for the fiscal year ended October 31, 2007.

The members of the Audit Committee are Emilio Carrillo Gamboa, Emilio Clariond, Claudio X. González, Robert L. Knauss, Marc J. Shapiro and Jaime Serra Puche.

During the fiscal years ended October 31, 2007 and October 31, 2006, the Fund incurred the following fees for services provided by PwC:

	<u>Audit Fees</u>	<u>Audit-Related Fees</u>	<u>Tax Fees</u>	<u>All Other Fees</u>
Fiscal Year 2006	\$108,000	\$ 0	\$20,000	\$0
Fiscal Year 2007	\$119,000	\$10,000	\$22,000	\$0

All of the services described in the table above were approved by the Audit Committee pursuant to its pre-approval policies and procedures which are summarized further below.

There were no non-audit fees billed by PwC to the Fund's investment adviser. In addition, PwC did not provide any non-audit services to any entity controlling, controlled by, or under common control with the Fund's investment adviser that provides ongoing services to the Fund.

The Audit Committee pre-approves all audit and non-audit services provided by PwC or any independent auditor engaged by the Fund and any non-audit or audit-related services provided to its service affiliates (at this time only the Fund's Investment Adviser qualifies as a Service Affiliate) which have an impact on the Fund in accordance with certain pre-approval policies and procedures. Audit services include those typically associated with the annual audit such as evaluation of internal controls. Non-Audit Services include certain services that are audit-related such as consultations regarding financial accounting and reporting standards, and tax services. Certain services may not be provided by the auditor to the Fund or to the Fund's investment adviser without jeopardizing the auditor's independence. These services are deemed prohibited services and include certain management functions; human resources services; broker-dealer, investment adviser or investment banking services; legal services; and expert services unrelated to the audit. Other services are conditionally prohibited and may be provided if the Audit Committee reasonably concludes that the results of the services will not be subject to audit procedures during an audit of the client's financial statements. These types of services include bookkeeping; financial information systems design and implementation; valuation services; actuarial services; and internal audit outsourcing services.

The policies and procedures require Audit Committee approval of the engagement of the auditor for each fiscal year and approval of the engagement by a majority of the Fund's independent directors. The policies and procedures permit the Audit Committee to pre-approve the provisions of types or categories of non-audit services for the Fund and permissible non-audit services for Service Affiliates on an annual basis at the time of the auditor's engagement and on a project-by-project basis. At the time of the annual engagement of the Fund's independent auditor, the Audit Committee is to receive a list of the categories of expected services with a description and an estimated budget of fees. In its pre-approval, the Audit Committee should determine that the provision of the service is consistent with, and will not impair, the ongoing independence of the auditor and set any limits on fees or other conditions it finds appropriate. Non-audit services may also be approved on a project-by-project basis by the Audit Committee consistent with the same standards for determination and information.

The Audit Committee may also appoint a Designated Member of the Committee to pre-approve non-audit services that have not been pre-approved or changes in non-audit services previously pre-approved. Any actions by the Designated Member are to be ratified by the Audit Committee by the time of its next regularly scheduled meeting. The Fund's pre-approval procedures are reviewed annually by the Audit Committee and the Fund maintains a record of the decisions made by the Committee pursuant to the procedures.

The Board of Directors, upon recommendation of the Audit Committee, has selected PwC as independent public accountants to examine the financial statements of the Fund for the fiscal year ending October 31, 2008. Audit services performed by PwC during the most recent fiscal year included examination of the financial statements of the Fund and the review of filings with the SEC. PwC will prepare the Fund's tax returns for the fiscal year ending October 31, 2008.

The Fund knows of no direct or indirect interest of PwC in the Fund. A representative of PwC is expected to be present at the Meeting and will have the opportunity to respond to questions from stockholders.

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE FOR THE ELECTION OF EACH OF THE NOMINEES TO THE FUND'S BOARD OF DIRECTORS.

OTHER MATTERS

The Fund knows of no other matters which are to be brought before the Meeting. However, if any other matters come before the Meeting, it is the intention of the persons named in the enclosed form of Proxy, or their substitutes, to vote the Proxy in accordance with their best judgment.

Compliance with Section 16(a) of the Securities Exchange Act of 1934

Section 16(a) of the Securities Exchange Act of 1934, as amended (“Securities Exchange Act”), and Section 30(h) of the 1940 Act, as applied to the Fund, require the Fund’s officers and Directors, Adviser, affiliates of the Adviser, and persons who beneficially own more than ten percent of a registered class of the Fund’s securities (“Reporting Persons”), to file reports of ownership of the Fund’s securities and changes in such ownership with the SEC and the New York Stock Exchange. Reporting Persons are also required by such regulations to furnish the Fund with copies of all Section 16(a) forms they file.

Based solely on its review of the copies of such forms received by it and written representations of certain Reporting Persons, the Fund believes that during fiscal year 2007, its Reporting Persons complied with all applicable filing requirements.
